## Invitation

With immense pleasure, the Organizing Committee extends a warm invitation for you to participate in the **RoboGynIndia 2024 conference**, the **3<sup>rd</sup> annual conference of the Association of Gynaecological Robotic Surgeons of India**, which will be held on **10<sup>th</sup> - 11<sup>th</sup> August 2024** at **The Leela Ambience Gurugram**, where we unite with the theme of **'Unveiling New Frontiers: Advancing Robotic Surgery'**.

It is indeed an honor to host a distinguished gathering of international and national faculties in robotic surgery within gynaecology and gynae oncology to address on the reality of complications in robotic surgeries and challenges in management of these complications. As we delve into our theme, we've curated special sessions tailored for both aspiring practitioners venturing into robotic surgery and beginners encountering challenges in expanding their programs. These sessions are aimed to provide practical guidance, share best practices, and foster mentorship to nurture the next generation of robotic surgeons. We are introducing special sessions for robotic nursing in the conference.

This mega event will give you a unique opportunity to showcase your company, its profile and products to the most eminent attendees not only from India but across the globe too. You can participate either by becoming the Conference Partner or booking single/multiple Exhibition Stalls or participating in the scientific sessions.

We invite you to participate in the success of the conference, we are aware that our joint efforts will make this event a Grand Success! We request you to designate a representative from your company to coordinate with us directly from now till the end of the conference.

Looking forward to your active participation!

Thanking you.
